Q: What will the requirements for getting crews to the site, will we be able to park everyone out there or will we need to bus in?

A: All contractors will be required to have an Airport Badge to enter the airport area where the ASDE facility is located. Contact the DIA Badging Office at 303-342-4300 for badging requirements. The FAA will provide vehicle escort for the contractors work vehicles.

Q: Will we be allowed to have trash dumpsters and portable bathrooms at the site?

A: Yes, trash and portable rest-room facilities may be located at the ASDE facility. Prior to staging we must disclose to OPS manager a courtesy call for notification.

Q: During the site visit Donald mentioned there is an existing soil report for the area he did not want to share, and we are to get our own. That is fine, however it makes competitively bidding the foundation size and type difficult. Is there anyway to release the soils report to all contractors?

A: No soil report will be released to contractors due to the age of it so soil report is contractor responsibility.
